EXPERIENCES

Highschool Diplomat

Homan El fetouaki highschool

2018 - 2021

After an eventful three years, full of unforeseen challenges and surprises, I am proud to say that I have earned my baccalaureate certificate with a remarkable "very good" distinction.

Preparatory classes

Reda Slaoui Center

2021 - 2023

My sharp intellect and strong intuition were honed over two years of intense training in mathematics and physics. Additionally, I am the proud co-founder of the RSF club, where we have made a significant impact on individuals facing challenges.

State engineer diploma

INP TOULOUSE ENSEEIHT

2023 - Now

I'm on a mission to dive into the vast sea of knowledge in the professional realm. I'll sharpen my skills in both the hard and soft fields, and I shall see myself thrive along the way.
